

**Solid Rock Christian School**  
**Mrs. Starr's Class March 2018 Newsletter**

---

Dear Parents,

We will welcome March by celebrating Dr. Seuss' Birthday, looking forward to the arrival of spring and preparing for Resurrection Sunday. Our class will continue to experience the many milestones of learning as we work to increase our knowledge of Phonemic awareness, learn special sounds, sight words and phonic rules to help us decode the written language. We are increasingly becoming familiar with our sight word list; and we will be introduced to color words.

In math we will continue to learn number recognition, counting by 1's, 2's, 5's and 10's to 100, coin recognition and value, telling time to the hour and the half hour; and addition and subtraction facts for the one through the eight family.

In Science, we will discover the beauty of spring, the miracle of seeds and the jobs of the different parts of plants. We will learn about the water-cycle, rain and rainbows. For Social Studies, we will begin learning about our world, the different continents, and the oceans.

For Bible we will continue to learn about the life and ministry of our Savior, Jesus Christ, and we will prepare our hearts and minds for the celebration of Easter on April first. Our Memory work for March will be John 3:16 and Luke 24:1-8.

Parent/Teacher conferences are for the parents of both the Pre-Kindergarten and Kindergartener students. This will be from March 27<sup>th</sup> through March 30<sup>th</sup>. There will be a sign up in the hallway. All week from March 26<sup>th</sup> through March 30<sup>th</sup> will be a half day for both the pre-k and kindergarten class. This will be the end of the second semester.

Our class will be celebrating an Easter party on Friday, March 30<sup>th</sup>. There will be a sign up in the hall for snacks to share. We will color Easter eggs, enjoy an Easter egg hunt, play games, share a snack and make a craft. Parents are invited to come join our class at 11:45 for a short presentation to hear the children recite their verses and to sing two of their favorite songs.

Please continue to send a coat for your child. It is still cold out and if it is dry, we love to get out and play outdoors. Also, our class starts at 9:00, please bring your child to the classroom no earlier than 8:50, unless you have made previous arrangements with me, as this time is needed for me to prepare for the day. Thank you for your support and help in these areas. If you have any questions, please let me know. I look forward to talking with you at the Parent /Teacher conferences, but you can call me if you have any questions. (360-362-3240) Please remember to sign up in the hallway to schedule your conference time.

---

## **Important dates**

### **To highlight on your March calendar:**

---
